Subject: [External] RE: Hearing follow up

Dear Hearing Officer Stark,

I'm writing on behalf of DEC and DEP to follow-up on my prior email. DEC and DEP certainly understand and appreciate the case load that is currently before the Commission and Ms. Wheat. With that understanding, the Duke Companies strongly believe that having a completed transcript at least two weeks prior to the proposed order deadline in this proceeding is critical to fully brief the complex issues before the Commission.

As such, the Duke Companies respectfully request guidance on the proposed order deadline and whether it will occur at least two weeks after the date upon which the transcript is made available.

Finally, can you please confirm that a WebEx will be circulated to the parties appearing before the Commission during the Virtual Public Hearing in this proceeding that is scheduled for April 21st?

Thank you very much for your attention to these matters.

Regards,
 Ashley

Subject: Hearing follow up

Dear Hearing Officer Stark,

I'm writing on behalf of DEC and DEP to inquire about the availability of a transcript for this matter, as well as the deadline for proposed orders. The Duke Companies will require a transcript and believe that having a reasonable amount of time to review the transcript is critical in providing a proposed order that accurately reflects the record in this proceeding.

Likewise, at the close of the hearing, it was DEC's and DEP's understanding that an update would be provided on a deadline for proposed orders sometime last week. The Duke Companies respectfully request guidance on the deadline for proposed orders in this proceeding given the upcoming scheduled public hearing on April 21st as well as Act 62's deadline of June 1st for the Solar Choice Tariffs.

The Duke Companies certainly understand that the Commission has numerous time-sensitive matters before it at this time, but I wanted to check in on these items for the benefit of all parties.

Thank you very much for your time and attention to these matters.
